What do you do if you have a problem?: Before you have a problem, familiarize yourself with our contract. When you have a problem, the first step is to contact your building representative and talk with your administration. All ZEA grievances must begin with a building level conversation between the union and the administration. When problems are not resolved at the building level, contact your president or vice-president to proceed through the grievance process.

Recent Accomplishments

- successful negotiations year with the help of CAT team, negotiations team and OEA-LRC Jeremy Baiman**
- better knowledge of contract**
- better communication and relations among members**

Goals for ZEA this year

- full implementation of new master agreement**
- continued good relations and communication with reps and members**
- effective communication between union and administration via PAC and SAC**

PLEASE CHECK WITH YOUR BUILDING REPRESENTATIVE TO SEE IF WE HAVE YOUR CORRECT PERSONAL EMAIL AND PHONE NUMBER SO THAT ZEA CAN REACH YOU WITH INFORMATION AND ANNOUNCEMENTS THROUGHOUT THE YEAR.
